Gobindgarh Educational and Social Welfare Trust which is a nonprofit, non-proprietary educational body managed by professionals from various walks of life. The trust is well recognized in the academic world for its progressive approach and commitment to excellence. Centralized policies, decentralized administration, well designed institutional programme and flexible management system are the basis of its inimitable identity. The trust has evolved since its establishment 35 years ago to its present day status. Along with PIMT, they are also running the chain of institutes like GPS, GPC and GCE.

CHAIRMAN'S MESSAGE

Gobindgarh Educational and Social Welfare Trust (GESWT).The trust's ultimate objective is to provide a launching pad to the young people, for pursuing outstanding career in information technology and management. This was given a concrete shape by starting Punjab institute of management and technology in 1997. In today's scenario, hoarding knowledge ultimately erodes one's power. If one knows something very important, the way to get power is by actually sharing it so, PIMT is committed to provide quality education in building the future of today's youth.PIMT main aim is to produce talented and skillful personalities with power of guts, to face the new challenges of corporate world with new zeal and outlook. The foremost aim of our institution is to develop the intellectual abilities of the students, relishing them to align themselves with the industries requirements. I extend warm welcome to all the students interested to join PIMT for a bright career.
